WHO
WE
ARE

DESIGN MULTIDISCIPLINARE E CONSULENZA STRATEGICA PER AZIONI BUSINESS TO BUSINESS E BUSINESS TO CONSUMER.

Siamo una società di design multidisciplinare presente sul mercato dal 2009, specializzata nella progettazione e nella produzione di allestimenti personalizzati di elevata qualità per eventi, fiere, congressi, musei, esposizioni.

L'azienda è dotata dei più moderni sistemi di produzione e di innovativi modelli di progettazione. Per ZURI la scelta del design multidisciplinare e lo sviluppo di progetti dedicati rappresentano la migliore opportunità per raggiungere gli obiettivi di comunicazione e consentono di ottimizzare i budget, individuando sempre i canali più efficaci per arrivare al target. Uffici, laboratori, officine di produzione, impianti di produzione, illuminotecnica e strutture, studio grafico e opificio sono parte di due complessi industriali adiacenti.

La costante ricerca di soluzioni innovative per migliorare la qualità dei nostri prodotti ci ha portato a sviluppare nuovi sistemi e programmi di produzione, ma anche ad acquisire competenza gestionale e cultura del progetto in grado di interagire in una vasta gamma di esperienze progettuali e di dialogare con una pluralità di interlocutori.

MULTIDISCIPLINARY DESIGN AND STRATEGIC COUNSELLING FOR BUSINESS TO BUSINESS AND BUSINESS TO CONSUMER.

We are a multidisciplinary design agency operating on the market since 2009. We are specialized in graphics and visual displays for events, we personalized high quality booth for fair, expositions, congresses, museums.

We are equipped with state of the art production systems and innovative project modelling tools. According to ZURI the multidisciplinary design approach and the development of dedicated projects represents the best method to reach its communication objectives through the optimization of resources and identification of the most effective channel to achieve the target. Our physical structure consists in design offices, laboratories, and equipment, technical lighting fixtures, graphic and design studio.

Our constant search for innovative solutions to improve the quality of our products and services, has led us to develop new production systems and programs and also to acquire new skills in project management that allows us to interact with a wide range of experiences and clients.
